

GREETING BY THE CONGRESS CHAIR

Welcome!

It is our pleasure to invite you to the vibrant city of Stockholm for the joint European Congress of Trauma and Emergency Surgery (ECTES) and World Trauma Congress (WTC).

The congress motto "TEAM – Together Each Achieves More" highlights the importance of strong teamwork in the care of trauma and emergency surgery patients.

The TEAM involves not only the prehospital, ED, OR, and ICU phases of care, but also includes working together and collaborating in research, quality improvement, and education. Featuring pre-congress courses, lunch symposia, and interactive sessions, the programme is designed to foster interdisciplinary exchange and advance professional growth. It will showcase keynote lectures by internationally renowned experts, alongside numerous abstract presentations highlighting cutting-edge research findings.

We are excited to welcome you to Stockholm in 2026!

Shahin Mohseni
ECTES 2026 congress president

Carl Montan
Chairman Local organising committee

Raul Coimbra
Executive Director World Coalition for Trauma Care
President 8th WTC
